# Get into the game! Become a Tailgate Teammate and show your team spirit!

Fall is the season of sports! The variety of football, hockey, basketball and playoff baseball games makes it the best time of year to be a fan. This year's Night of Networking theme is the Damage Prevention Tailgate! All attendees will be encouraged to wear their fan gear and show their team spirit. Just like the diverse cross-section of CGA members, attendees can be just as diverse choosing college, NFL, MLB, NBA, NHL or other sports to showcase your team spirit!

Tailgates highlight the camaraderie, food and drink that brings together the greatest fans to enjoy the opportunity to root for their team. CGA will create the same atmosphere with sports-inspired games and food, giveaways and even big screens to watch the defending World Champion Tampa Bay Buccaneers play on Thursday night football.

## Each Sponsorship - \$2500

- Customized sign at the NON with company logo and team.
- Tailgate-themed prize giveaway presented on your behalf.
- Recognition on [cgaconference.com](http://cgaconference.com)

All CGA Conference & Expo attendees are registered for this premier networking opportunity in celebration of CGA's 20th anniversary.

**Click here** to join in the fun and to register as a Tailgate Teammate

*When it comes to damage prevention  
...we're all on the same team.*
